The above captioned debtors (collectively, the "Debtors"), with the assistance of their advisors, have each filed their respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements" and, together with the Schedules, the "Schedules and Statements") with the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

The Schedules and Statements were prepared by the Debtors' former management and are unaudited. Although the Debtors' former management has made reasonable efforts to accurately and completely disclose the assets, liabilities and other required information on the Schedules and Statements on an unconsolidated basis, the Schedules and Statements are based on information known to them at the time of the preparation and subsequent information or

NAI-1543396689v4

discovery may result in material changes to the Schedules and Statements. Accordingly, inadvertent errors or omissions may exist in the Schedules and Statements. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are wholly accurate and complete. In no event shall the Debtors or their agents, attorneys and/or financial advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys and/or financial advisors are advised of the possibility of such damages. Further, nothing in the Schedules and Statements shall be binding against, or considered an admission by, any individual, including the Debtors' former management.

These Global Notes and Statement of Limitations, Methods and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and constitute an integral part of, each of the Debtors' Schedules and Statements. Any party reviewing the Schedules and Statements should refer to, consider and consult with the Global Notes in connection with such review.

Mr. Gregory Endecott, who was the former Chief Financial Officer of Debtor Jack Cooper Investments, Inc., signed the Petitions and the Schedules and Statements in his capacity as a "Designated Officer." In connection with his review and execution of the Schedules and Statements, Mr. Endecott necessarily has relied upon the efforts, statements and representations of a variety of the Debtors' personnel and advisors. Mr. Endecott has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including, without limitation, statements and representations concerning amounts owed to creditors, the classification of such amounts and creditor addresses.

Global Notes

1. Amendment and Reservation of Rights

- a. While the Debtors' former management has exercised reasonable efforts to ensure that the Schedules and Statements are accurate and complete by legal entity based on information that was available at the time of preparation, inadvertent errors, omissions or inaccuracies may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time as may be necessary and appropriate, but they are under no obligation to do so.
- b. The Debtors and their advisors have made reasonable efforts to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions in the Schedules and Statements may exist. For example, the designation of a category is not meant to be wholly inclusive or descriptive of the rights or obligations represented by such item. Further, due to the complexity and size of the Debtors' businesses, the Debtors may have improperly characterized, classified, categorized or designated certain items. In addition, certain items reported in the

Schedules and Statements may be included in more than one category. Accordingly, the Debtors reserve the right to amend, supplement or otherwise modify the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate to recharacterize, reclassify, recategorize or redesignate any items reported in the Schedules and Statements

2. Basis of Presentation

- a. For financial reporting purposes, the Debtors, along with their non-Debtor subsidiaries, prepare consolidated financial statements and are audited annually. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor. In addition, not all of the Debtors' direct and indirect subsidiaries are Debtors in these chapter 7 cases. Accordingly, combining the assets and claims set forth in the Schedules and Statements of the Debtors would result in amounts that would be substantially different from financial information for Jack Cooper Investments, Inc. and its respective consolidated subsidiaries that would be prepared under Generally Accepted Accounting Principles ("GAAP"). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP.

3. General Assumptions

- a. Reporting Date. All asset and liability information contained in the Schedules and Statements is as of the end of business on January 31, 2025, except where otherwise noted.
- b. Unaudited. The books and records and the financial statements of the Debtors utilized to complete the information contained in the Schedules and Statements are unaudited and the Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP, federal or state securities laws or other applicable non-bankruptcy law.
- c. Book Value. Unless otherwise noted, all amounts included in the Schedules reflect net book value as of the Petition Date. Various questions within the Schedules request "Current Value" or "Current Market Value." Given the number of Debtors and complexity of their business, the process of calculating, obtaining, or verifying "Current Market Value" would be prohibitively expensive, unduly burdensome and an inefficient use of estate resources.

Certain assets may not appear in the Schedules and Statements because the Debtors have depreciated the entire book value of such assets or otherwise expensed such assets in their entirety. Furthermore, certain of the Debtors have assets related to their ultimate equity interests in certain non-Debtor affiliates, the market value of which may differ significantly from the reported book value. The Schedules and Statements of such Debtors reflect only the undetermined book value of the Debtors' ownership of their direct subsidiaries.

Nothing in the Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date.

- d. Currency. All amounts are reflected in U.S. dollars, unless otherwise indicated. Assets and liabilities denominated in foreign currencies were translated into U.S. dollars at reasonable market exchange rates.
- e. Estimates. The preparation of the Schedules and Statements required the Debtors to make certain estimates and assumptions that affected the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the reported amounts of revenues and expenses. Actual results could differ materially from these estimates.
- f. Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- g. Undetermined Amounts. The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.
- h. Consolidated Cash Management System. The Debtors utilize a consolidated cash management system and, as such, the disbursements of various Debtors are paid by or through a limited number of Debtor bank accounts, notwithstanding that certain of those disbursements may relate to obligations of other Debtors. Accordingly, pre-petition disbursements reported in the Statements have been reported based on the Debtor that maintains the bank account from which payments or distributions were made. The main disbursement accounts are held in the name of Jack Cooper Investments, Inc. and thus, the vast majority of disbursements are reported on such Debtor's Statements.
- i. Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have set forth all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements. Neither the Global Notes nor the Schedules and Statements constitute a waiver of such causes of action or, in any way, prejudice or impair the assertion of any of the same.
- j. Property and Equipment – Leased. In the ordinary course of their businesses, the Debtors lease equipment from certain third-party lessors for use in the Debtors' daily operation and otherwise hold property owned by third-parties pursuant to contracts with such parties. Any such leases or contracts are set forth in Schedule G based on the Debtors' reasonable efforts to identify such leases. The property subject to any of such leases or contracts is not reflected in either Schedule A or Schedule B as either owned property or assets of the Debtors. Nor is such property reflected in the Debtors' Statements as property or assets of third-parties within the control of the Debtors.

- k. Claims Description. Any failure to designate a claim listed on the Debtors' Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated" or that such claim is not subject to objection.
- l. Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets, tax accruals and liabilities from the Schedules and Statements, including, without limitation, goodwill, accrued salaries, certain employee benefit accruals, accrued accounts payable, customer deposits and deferred gains. The Debtors also have not attempted to anticipate rejection damage claims of counterparties to executory contracts and unexpired leases that may arise out of future contract or lease rejections. In addition, certain immaterial assets and liabilities may have been excluded.
- m. Global Notes Control. In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.
- n. Intellectual Property. The Debtors' inadvertent exclusion of any intellectual property from the Schedules and Statements is not an admission that the Debtors have abandoned, terminated or assigned such intellectual property or that such intellectual property has expired by its own terms or was transferred pursuant to a sale, acquisition or other transaction. Conversely, the Debtors' inclusion of any intellectual property in the Schedules and Statements is not an admission that the Debtors have not abandoned, terminated or assigned such intellectual property or that such intellectual property has not expired by its own terms or was not transferred pursuant to a sale, acquisition or other transaction.
- o. Definition of Insiders. Persons listed as "insiders" have been included for informational purposes only and shall not be binding on any party.

4. Specific Schedules of Assets and Liabilities Disclosures

- a. Non-publicly traded stock (AB15). Ownership interests in subsidiaries, partnerships and joint ventures have been identified in AB15 in an undetermined amount because the fair market value of any such ownership interest is dependent on numerous variables and factors that may cause its fair market value to differ materially from its net book value.
- b. Office Furniture, Fixtures, and Equipment (AB38 thru AB45). In the Debtors' books and records, office equipment is included in one trial balance account. As such, the Debtors have not broken out office equipment by office furniture, office fixtures, and office equipment. All amounts are included under AB41: Office Equipment.

- c. Collectibles (AB42). The Debtors are not in the business of buying or selling collectibles including, but not limited to, art and artifacts. The Debtors do however own various pieces of artwork located in their offices. To the extent this artwork was capitalized when purchased, it is included in AB41: Office Equipment.
- d. Domain Names and Websites (AB61). The Debtors own rights to various website domain names. These assets were expensed at the time of purchase and are therefore not included in the Debtors' books and records in accordance with GAAP. Due to the number of domain names, each has not been listed individually in the Schedules and the value has been included as "Undetermined."
- e. Intercompany Accounts. Prior to the filing, the Debtors routinely engaged in intercompany transactions with other Debtors and non-Debtor subsidiaries and affiliates. Intercompany balances are listed on both AB77 (Other Property) as well as Schedule F (Unsecured Nonpriority Creditors). Intercompany balances were not offset prior to inclusion in the Schedules, and it is possible that a Debtor may have both a debit and credit balance included in the Schedules.
- f. Contingent Assets. The Debtors exercised reasonable efforts to identify contingent assets although certain errors or omissions may exist. The Debtors reserve their rights to supplement the Schedules and Statements for such items at a later date.
- g. Schedule D. Creditors' claims on Schedule D arose or were incurred on various dates. In certain instances, the date on which such claim arose is an open issue of fact.

The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens.

- h. Schedule E/F. The Debtors have made reasonable efforts to report all priority and general unsecured claims against the Debtors on Schedule E/F based upon the Debtors' books and records as of the Petition Date.

Claims owed or potentially owed to various taxing authorities are listed on the Debtors' Schedule E/F. Certain of the tax claims may be subject to on-going audits, and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the tax claims listed on Schedule E/F. Therefore, the Debtors have listed all such claims as "Undetermined" in amount, pending final resolution of on-going audits or outstanding issues. In addition, there may be other numerous contingent, unliquidated claims from state taxing authorities, not all of which are listed.

Schedule E/F contains information related to employee claims. Most, but not all, of these claims have been categorized as "contingent" or "unliquidated".

The claims of individual creditors for among other things, products, goods or services

are listed as either the lower of the amounts invoiced by the creditor or the amounts entered on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors. The claims listed on Schedule E/F arose or were incurred on various dates, and in certain instances, the date on which a claim arose may be an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors have listed "various" each claim listed on Schedule E/F. The claims listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code.

Schedule E/F contains information regarding pending litigation involving the Debtors. To the extent multiple Debtors were named as defendants in a pending litigation, the Debtors made reasonable efforts to list the pending litigation as a claim on Schedule E/F of each respective Debtor. However, certain omissions may have occurred. The inclusion of any litigation action in the Schedules and Statements does not constitute an admission by the Debtors of any liability, the validity of any litigation, or the amount of any potential claim that may result from any claims with respect to any litigation action and the amount and treatment of any potential claim resulting from any litigation action currently pending or that may arise in the future.

Schedule E/F includes intercompany payables between Debtors and various non-Debtors.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, they are reflected on the Debtors' books and records as required in accordance with GAAP.

- i. Schedule G. The Debtors' businesses are complex. Although the Debtors' books, records, financial systems and contracts management systems have been relied upon to identify and schedule executory contracts for each of the Debtors and reasonable efforts have been made to ensure the accuracy of the Schedule G, inadvertent errors, omissions, or overinclusion may have occurred. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppels, certificates, letters, memoranda and other documents, instruments and agreements that may not be listed on Schedule G, despite the Debtors' use of reasonable efforts to identify such documents. In some cases, the same supplier or provider may appear multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Certain of the contracts, agreements and leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers,

duties and obligations are not separately set forth on Schedule G. Unless otherwise identified on Schedule G, each contract, agreement and lease identified therein shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements or other agreements made directly or indirectly by any such agreement, instrument or other document that in any manner affects such contract, agreement and lease, without respect to whether such contract, agreement and lease is listed therein.

Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease.

The Debtors have included certain interests in real property such as easements, rights of way and other similar interests on Schedule G.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained in every circumstance. In such cases, the Debtors made their best efforts to determine the correct Debtors' Schedule G on which to list such executory contract or unexpired lease. Certain of the executory contracts may not have been memorialized and could be subject to dispute. Each unexpired lease listed in Schedule G may include one or more ancillary documents, including but not limited to any underlying assignment and assumption agreements, amendments, supplements, full and partial assignments, renewals and partial releases. Executory contracts that are oral in nature, if any, have not been included on Schedule G. Schedule G does not constitute an admission that any such contract or agreement is an executory contract or unexpired lease.

Finally, before the Petition Date, certain lessors may have repossessed equipment subject to leases. However, as the Debtors may not have an accurate accounting of such repossessions, Schedule G is based on the best information available as of the Petition Date.

- j. Schedule H. The Debtors have made reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, the "Guarantees") in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which any Debtor is a party. However, the Debtors may not have identified all Guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. In addition, certain of the Guarantees reflected on Schedule H, if

any, may have expired or no longer be enforceable. In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and claims arising out of certain ordinary business transactions. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross claims or counter-claims against other parties. Due to the volume of such claims, and because all such claims are contingent, unliquidated and disputed, and listed elsewhere in the Schedules and Statements, such claims have not been set forth individually on Schedule H.

5. Additional Notes

- a. Claims of Third-Party Related Entities. Although the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to both such entity and its affiliates. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.
- b. Umbrella Agreements. A number of contracts listed in the Schedules and Statements are umbrella agreements that cover some or all of the Debtors. Such agreements have been listed in the Schedules and Statements of the Debtor that was the main signatory to the agreement, although more than one of the Debtors may be obligated under the agreement.
